I am currently pursuing a Bachelor of Science in Computer Science (BSCS) at the University of Central Punjab, with a focus on Front-End Web Development. Through coursework in HTML, CSS, and JavaScript, I am honing skills in creating responsive layouts, visually appealing interfaces, and interactive features for web applications. With hands-on experience and a commitment to quality, I am equipped to contribute effectively to web development projects, leveraging my knowledge in problem-solving, collaboration, and adaptability to meet evolving industry demands.
